

WASATCH HILLS TENNIS CENTER

BUBBLE REPLACEMENT PROJECT

Dear Friends, Community Supporters, Tennis Lovers, and Donors:

This report has been prepared to thank our amazing donors and to encourage everyone to help make this community recreation project a reality. The update includes all gifts to the campaign as of Valentine's Day 2021 for the urgently needed, new year-round bubble at Wasatch Hills Tennis Center, aka Coach Mike's. There are over 60 kind donors listed in this report and their gifts total more than \$300,000. We are also grateful for the generous \$300,000 challenge grant by The George S. and Dolores Doré Eccles Foundation.

Adding the matching grant, the gifts listed in this report, and donations previously made to the Coach Mike's Friends of Public Tennis Foundation, a 501(c)(3), this community campaign has been a phenomenal success. However, we still have a ways to go. Your help is needed to reach \$1.1 million to complete the project.

Consequently, we humbly call on you to help push this **important bubble- replacement project to the finish line**. The result will be uninterrupted indoor tennis year-round, a project that will serve our entire community, including underserved youth, and a state-of-the art solution to the outdated and leaking bubble. A new bubble will complement the new clubhouse under construction. (The clubhouse was funded by Salt Lake County ZAP recreational funds and private contributions.)

Please, one and all, let's go for it! The time, the situation, the place, and the need—they are all now. Your gifts will bring this worthy project to a grand, timely conclusion. Spencer Marchant, his staff, and the campaign committee have launched **100+, 100, \$100,000+** to encourage you and your friends to make this goal a reality.
